Dear Barbara:

I thank you very much for your kind email and continued support—it means the world to me!  
Unfortunately, Rowan still has some individuals who are frozen in 19th century and continue to believe it is the women's responsibility to prevent men from being distracted!! I plan to fix this and never allow it to happen again at Rowan! Best wishes,  
Ali

Hello Ali,  
I read of the controversy regarding the women's track attire and training schedule in the NY Times. I sincerely thank you for your forward-thinking remarks concerning the sports bras.

Hopefully, the track schedule controversy will be resolved soon. I am confident that you will also find an equitable solution for that problem.

Thank you for your leadership and "history making" comments.
